ECO✓ 100% RICICLABLE

The Eco-Cart line includes a wide range of products made from 100% and totally recycled cardboard recyclable, certainly the most complete on the market.
The cardboard used is completely in high density paste, to ensure strength, resistance, elasticity.
Furthermore, to preserve the ecological characteristics of the line as much as possible, each print is made dry, thus imprinting lines, marks, symbols on the cardboard, without ink.
The Eco line, for its simplicity, its minimal lines and only the Havana color, stands out for its design and positioning, fully responding to the needs of all those looking for an assortment of products respectful of the environment and price sensitive.

FROM NATURE, WITH RESPECT!

ECO
COLLECTION

Our products can be customizable choosing between a zincograph or a serigraph: some important national operators have relied on us for the customization of these items.

The ECOLINE by edding, which includes highlighters, permanent and whiteboard markers, fully complete the ecological offer of Euro-Cart.
