The Legamaster range is continually being updated and expanded. We expressly reserve the right to amend the range, the materials and the design, and to make alterations to the available colours and sizes. We cannot be held liable for typographical errors.

Green certifications: **Legamaster cares about a green future**

Being a responsible partner and truly caring for the environment is part of the Legamaster DNA. As a brand leader, we are fully aware of our environmental responsibility. Our long-term environmental engagement is confirmed by the successful certification as being compliant with the standards of FSC[®], PEFC[™] and ISO 14001:2015.

Responsible forestry

To make it easier for our customers to recognize wood-based materials from responsibly managed forests and to underline that we care about the entire chain - from the management of the forest to the finished wood product - Legamaster is FSC[®] and PEFC[™] certified.

[Legamaster.com/green-certifications](https://legamaster.com/green-certifications)

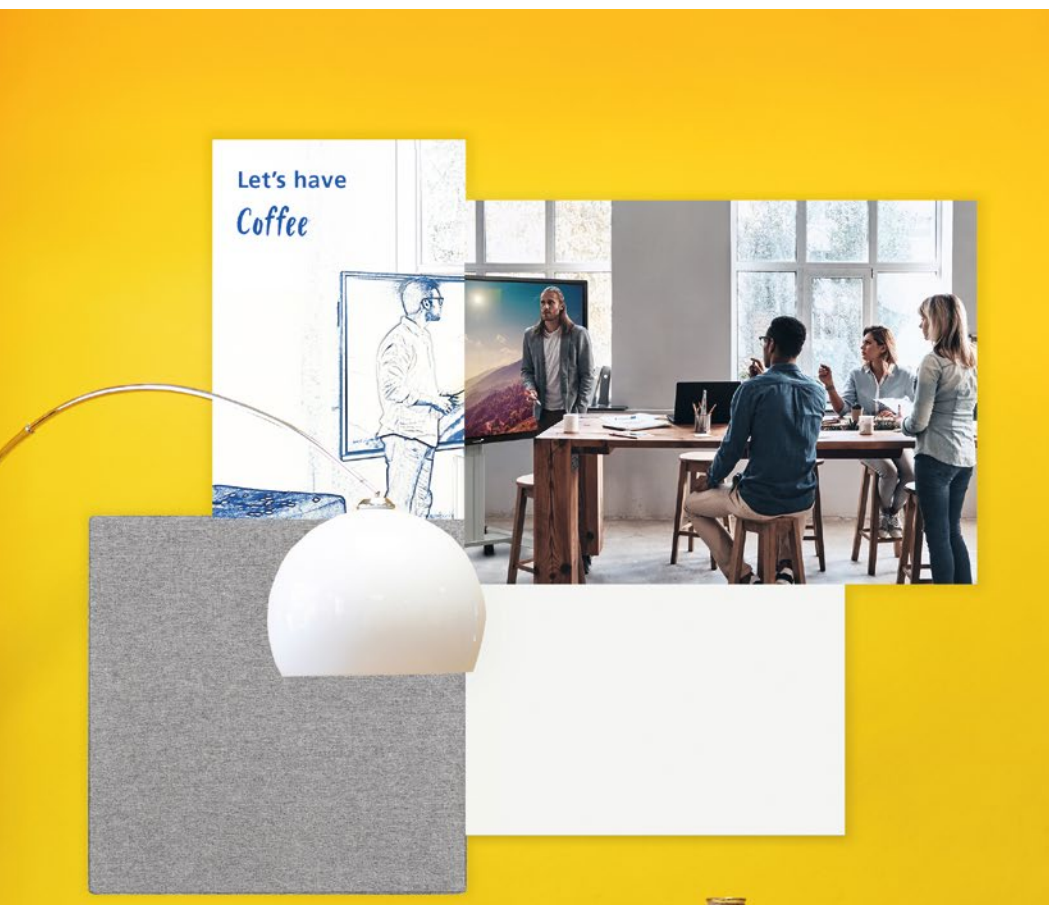

Environmental management system

We feel responsible to steward the environment and take actions to limit our environmental footprint. To fully embed this thinking within our organisation, we have successfully applied for a ISO 14001:2015 certification, which confirms that we are continuously striving to make our business more sustainable and improve our environmental performance through more efficient use of resources and reduction of waste.

Design your own whiteboard

Give your workspace a personal touch with high-quality custom-printed whiteboards. We can print any design you want - from a simple logo design to a high-resolution image that covers one or more whiteboards. Make your whiteboards blend in with your interior, use them to streamline your processes or to get your message across. **Page 24**

Ready-to-use designs

Are you looking for a fishbone diagram, a Kanban board, a Business Model Canvas or a planning table? Then save time and choose one of our ready-to-use designs. You can simply add your company logo or order your favourite design as it is in the size of your choice. **Page 25**

CARE & SHARE

Care & Share range: Collaboration at safe distance

Making employees feel safe when they work at the office of course means that a lot of attention needs to be paid to personal space, safety and hygiene. At the same time, the office space has an important function as a social hub where employees meet, connect and collaborate. With the Care & Share range, you can easily transform your office into a safe, but also user-friendly and inspiring workspace.

Safe workplaces:
Easy-to-clean dividers

Flexibility:
Various options and sizes available

Collaboration:
Designed for visual communication

Meet anywhere:
Flexible, easy-to-move equipment

PREMIUM PLUS divider whiteboard, **Page 58**
PREMIUM PLUS divider board, **Page 59**

Double-sided whiteboards

The double-sided magnetic divider whiteboards can serve as dividers between desks and are also a perfect solution to flexibly organize your (stand-up) meeting or brainstorm session. With these mobile whiteboard walls, you are able to meet anywhere and collaborate with several people at the same time. You can easily link several boards to quickly adapt any space to your needs.

[Legamaster.com/care-share](https://legamaster.com/care-share)

Plexiglass divider boards & desk dividers

The lightweight plexiglass divider boards and desk dividers are a stylish solution to separate desks and quickly create a secure setup in open offices or meeting rooms. The transparent, easy-to-clean surfaces ensure that your office spaces keep an open look & feel while your employees are optimally protected. **Page 60**

ECONOMY desk divider, **Page 61**

Visualise your ideas

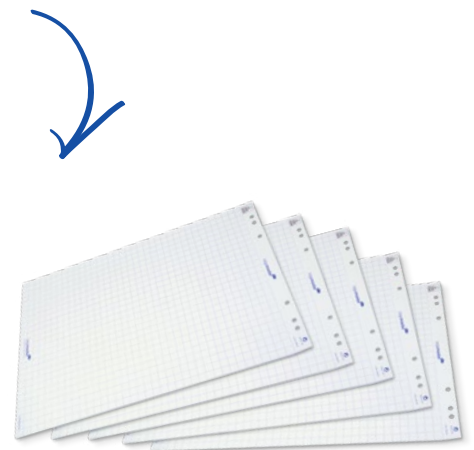

The products within the Care & Share range can perfectly be combined with markers, magnets, a flipchart paper pad, divider tape or the static Magic-Chart products that stick without glue.

SPACE-UP writing collection

Draw, sketch, hang or colour. With the solutions of the Space-Up writing collection, you can effortlessly create a whiteboard wall on which the most beautiful ideas arise. Need more advice about choosing the right Space-Up solution?

Go to www.legamaster.com/spaceup and discover step by step, using our decision tree, which solution best meets your needs.

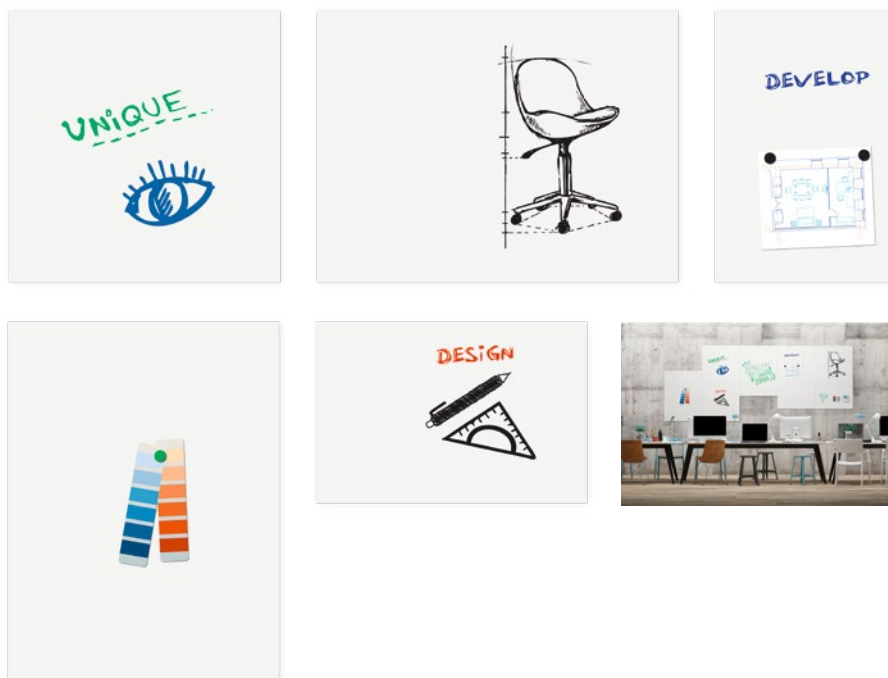

WALL-UP whiteboard

- Create a high-quality, magnetic and writable whiteboard surface on every wall
- Easily combine multiple boards to create a large writing surface
- By using the Wall-Up whiteboards as an XL writing surface, you can visualize a project from A to Z
- Dry-erase writable surface
- Suitable to use in combination with magnetic accessories
- Can be mounted either horizontally or vertically
- High quality, scratch resistant writing surface
- This product uses e3 Ceramic Steel, which is Cradle to Cradle Certified™ at the Bronze level
- Write on / dry wipe surface is guaranteed for 25 years when used in combination with Legamaster board accessories

Height x Width	Ref.no.
200 x 119.5 cm	7-106121
200 x 59.5 cm	7-106126
119.5 x 200 cm	7-106112

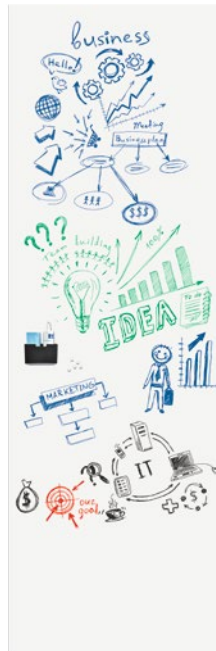

BOARD-UP whiteboard

- Modern stylish whiteboards, lacquered steel board quality
- Create an XL writing surface by combining boards in different sizes
- As little limitations as possible while writing - frameless
- Create continuous runs with a focus on width/ landscape
- Create large covered areas or a flexible layout - mount boards above and below each other
- Easy installation by magnetic plates that ensure flawless, flexible mounting
- Comes complete with fixing kit, mounting instruction, drilling template and cleaning instruction
- Dry-erase writable surface
- Suitable to use in combination with magnetic accessories
- Suitable for regular use
- Can be mounted either horizontally or vertically - mounting can be done by one person
- Write on / dry wipe surface is guaranteed for 10 years when used in combination with Legamaster accessories

Height x Width	Ref.no.
75 x 50 cm	7-106350
75 x 75 cm	7-106375
75 x 100 cm	7-106310

WRAP-UP whiteboard foil

- Create wide magnetic writing surfaces, cover entire walls or make creative forms
- Turn any smooth surface in to a magnetic whiteboard
- Wrap-Up whiteboard foil can be cut into a variety of shapes - obstacles, such as sockets, can easily be cut out
- Offers the possibility to make walls with a rounded or deviating shape writable
- Dry applicable and designed to stick to a variety of drywall, steel surface, finished wood or glass*
- Self-adhesive, which makes it unnecessary to drill holes in the wall when creating a large writing surface
- Dry-erase writable surface
- Suitable to use in combination with magnetic Legamaster glassboard accessories
- Can be mounted either horizontally or vertically
- Suitable for regular use
- PVC-free
- Write on / dry wipe surface is guaranteed for 3 years when used in combination with Legamaster board accessories

* The type of wall and wall surface are of importance when applying this product. For installation advice, please contact Legamaster.

PRESENTATION

Design your own whiteboard

Give your workspace a personal touch with high-quality custom-printed whiteboards. We can print any design you want - from a simple logo design to a high-resolution image that covers one or more whiteboards. Make your whiteboards blend in with your interior, use them to streamline your processes or to get your message across.

All our custom-printed whiteboards have the same writability and dry-wipeability as our non-printed whiteboards. They are also magnetic and come complete with mounting materials. Simply print your own design on these four different whiteboard types.

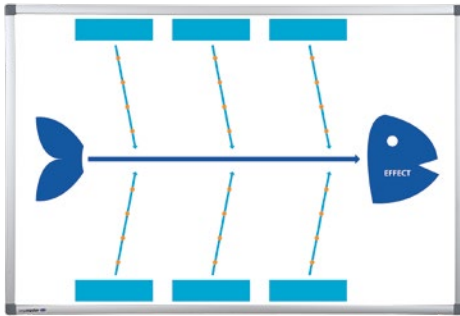

Make your own design

Visit www.legamaster.com/cpw to learn more about the possibilities, templates, artwork guidelines and the ready-to-use designs.

SPACE-UP ACOUSTIC PINNING

Space-Up Acoustic Pinning collection

Within the Space Up concept we offer a new solution: The Space Up Acoustic Pinning collection. Our acoustic pinning panels are an easy way to reduce noise in open offices or meeting rooms.

They have a positive influence on the concentration, productivity and well-being in the office. Also these panels have an innovative and functional design to create a pleasant workplace. In addition to being acoustic and designful, the panels are also pinnable.

Create unique design walls by combining the acoustic panels with the Space-Up writing collection. So think big and release your creativity!

Space-Up acoustic pinning collection:

- Minimizes sound distractions by considerably improving the acoustics in a room
- Create a high-quality XL pinning surface on every wall
- An innovative and functional design to create a pleasant workplace
- Share information and keep it in sight
- Easily combine multiple acoustic pinboards or writing boards to create a large collaborative workspace
- High quality fire retardant fabric finishing

WALL-UP

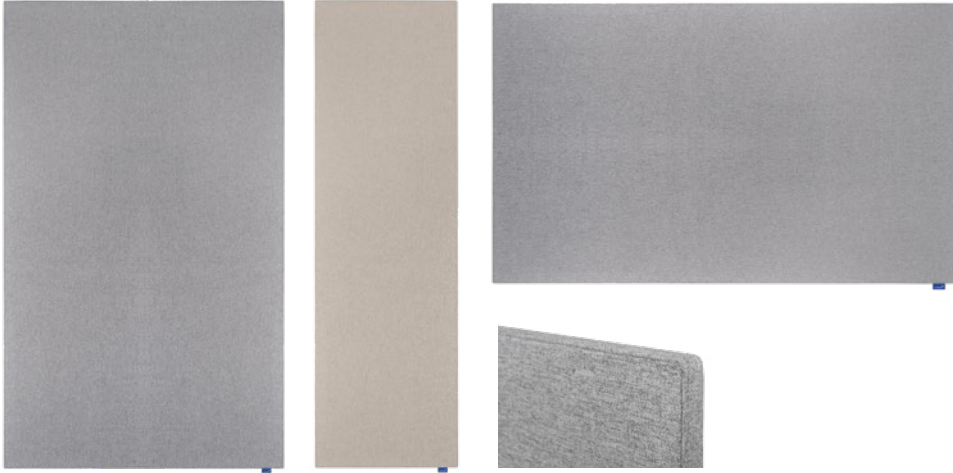

BOARD-UP

A writing solution to complete your SPACE-UP wall!

Supplement your Space-Up acoustic pinning solution with the Space-Up writing Collection. See more information on: page 12 and 13.

Magic-Chart

Unbox your meeting!

- Collaborate successfully with ready-to-use writing surfaces
- Meet anytime and anywhere - you only need a flat surface
- Trigger creativity in your team, there is enough writing space for everyone
- Have interaction-based, dynamic and effective sessions
- Visualize your ideas when brainstorming, mind-mapping, planning or teaching
- Always come prepared to any meeting or workshop with the easy-to-use static paper-like writing sheets
- Sticks like magic to any flat surface (wood, concrete, glass, wallpaper)
- Easy to reposition and to take away after the meeting
- No adhesive required, leaves no traces
- Can be written on (1 marker included)
- Presentation cards and Magic-Chart Notes simply stick by smoothing them onto the sheet
- Roll width 60 cm, perforations every 80 cm, 25 sheets
- Roll width Magic-Chart XL 90 cm, perforations every 120 cm, 15 sheets
- Environmentally friendly: fully recyclable foil

Magic-Chart Notes

- Colourful and fun; an attractive meeting discussion tool
- Creates an instant writing surface
- Sticks easily and smoothly, full coverage and no glue
- Leaves no marks
- Easy-correct; correct written mistakes while writing or shortly after writing – before dry wipe marker ink dries
- Double-sided
- Can be moved (“swiped”) or replaced easily
- Holds audience attention. An alternative to sticky notes
- Environmentally friendly – fully recyclable
- Includes one free marker

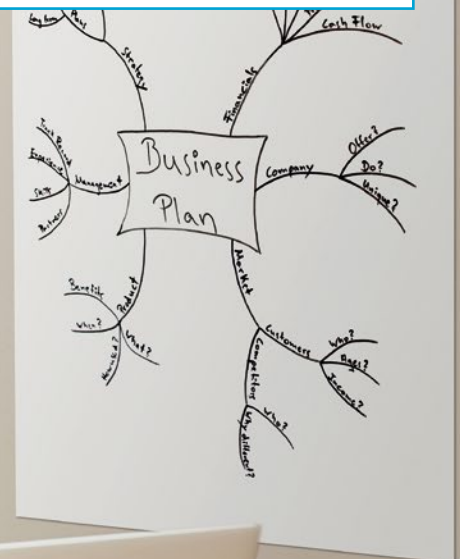

Magic-Chart Notes work best when kept dust-free and when used on dust-free, clean, dry surfaces. Please pay attention and use one Note at a time for best static adhesive power.

PROJECTION

FLEX projection board

For the FLEX projection board the technology of the Legamaster e-Boards has been used to design a high quality, scratch resistant projection surface with good image and contrast quality. The FLEX projection board is perfect for projection with a projector, without leaving a 'hotspot' on the board.

At the same time, the boards can be used as a wet-wipeable whiteboard and are also suitable for use in combination with eBeam Edge Plus.

The FLEX projection board offers much flexibility in creating a solution that fits your demand for projection: Everyone can assemble his or her own ideal board by choosing:

- 4:3 or 16:10 widescreen format
- Board size
- With or without side panels (standard option for 77" or 88" boards)
- Several options for the surface of the side panels
- Long or short marker tray
- Height adjustable or not
- Wall mount, mobile stand or on columns

Optional: FLEX hybrid projection board

The Hybrid version of the FLEX assortment is an optimal multi-functional solution in environments where whiteboards and projectors both are frequently used.

For more information about this board, please contact your Legamaster dealer.

- High quality, scratch resistant enamel projection surface
- This product uses e3 Ceramic Steel, which is Cradle to Cradle Certified™ at the Bronze level
- Perfect for projection with a/v projector
- Good image and contrast quality:
No "hotspot" visible when projecting with a standard a/v projector
- Aluminum frame with light grey plastic corner caps
- Baked enamel finish (fired at 800°C), which results in a very durable surface
- Easy wall mounting with concealed slot system
- Particularly well suited for long term use
- Long or short marker tray
- Projection surface is guaranteed for 25 years when used in combination with Legamaster accessories

Please note that the FLEX projection board can be used as a whiteboard but is wet-wipeable and not dry-wipeable.

- Suitable for use in combination with eBeam Edge and the electronic pen (stylus)

Laser-presenter, black

Laser pointer	Length	Laser class	Weight incl. batteries	Ref.no.
Laser-presenter	13.8 cm	2	30 g	7-575800

Legamaster presenter: connect with your audience and control your presentation with ease using the intuitive Legamaster presenter for effortless slideshow control; comes complete with a red laser pointer.

- Red laser dot: can be turned into an arrow by twisting the laser head
- Incl. USB receiver for presentation control
- Certified to standard EN 60825-1
- Remote distance up to 15 m
- Range: 100 m
- Battery: (AAA) battery SUM4R03
- Red laser dot, diameter approx. 4 mm
- Black casing and black on/off button
- Comes complete with case, batteries and a user manual

Laser pointer LX 3

Laser pointer	Length	Laser class	Weight incl. batteries	Ref.no.
LX 3 green	15 cm	2	71 g	7-575600

The eye is 20 times more sensitive to a green colour than a red colour. That's why a green laser pointer is particularly suitable for use in a daylight conditions or on a brightly lit projection screen. The green dot is very bright and piercing and has a very long range. For use in an office, classroom or conference environment.

- Best laser pointer tool for high-brightness screens and large display presentations
- Laser pointer with a green dot, diameter product 1.4 cm, diameter dot ca. 4 mm
- Green laser dot is activated by pushing the button
- Green laser beam; high visibility (twenty times higher than a red laser beam)
- Silver metal casing
- Practical pen-clip
- Soft structured grip zone
- Range: 200 m
- Laser class 2, power < 1 mW
- CE-approved
- Certified to standard EN 60825-1
- Comes complete with case, 2 AAA batteries and a user manual

Laser pointer LX 2 and LX 4

Laser pointer	Length	Laser class	Weight incl. batteries	Ref.no.
LX 2	14 cm	2	56 g	7-575500
LX 4	14 cm	2	54 g	7-575700

Power: <1 mW, Red laser dot, diameter approx. 4 mm, certified to standard EN 60825-1, range: 100 m, CE tested, comes complete with case and batteries.

Laser pointer LX 2:

- Silver metal casing
- Red on / off button
- Sturdy
- Battery: (AAA) battery SUM4R03

Laser pointer LX 4:

- Silver metal casing
- Red on / off button
- Red laser dot: can be turned into an arrow by twisting the laser head
- Battery: (AAA) battery SUM4R03

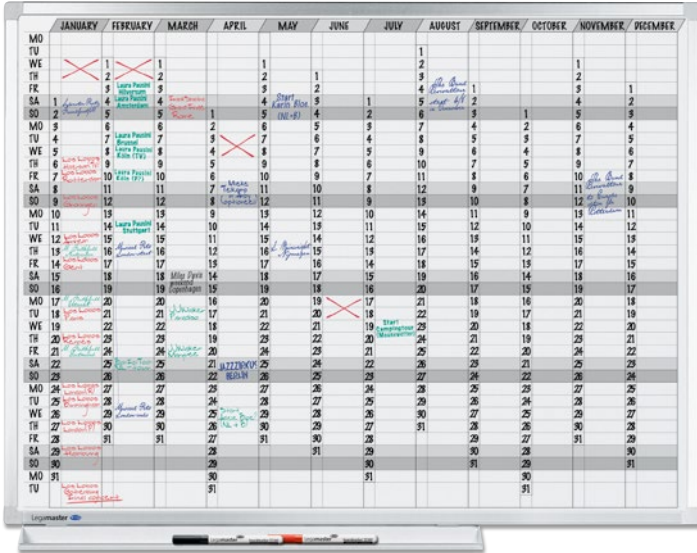

Caution:
Laser radiation –
Do not stare into beam!

Magnetic blocks

Boards which can be mounted with magnetic blocks, can be identified through the following logo:

- Use to attach boards to steel-system walls and partitions
- Self-adhesive, magnetic blocks
- For boards with a steel backing only
- Peel off the liner from the magnet and press the magnet firmly with the adhesive side to the backside of the board
- The magnetic part must be attached to the steel wall
- The blockmagnet is provided with a rubber coating which increases the magnetic force. This coating also prevents damage to the walls
- Place the magnets in a triangle on the backside of the board for a better grip
- Suitable for the following Legamaster boards: PROFESSIONAL, PREMIUM^{PLUS}, UNIVERSAL^{PLUS}
- Approx. 53 x 78 x 13 mm
- Number of magnets needed:
 - board size 60 x 90 cm = 4
 - board size 90 x 120 cm = 5
 - board size 90 x 180 cm = 7

Ref.no. 7-184000
